

# DELUXE VOLLEYBALL NET & POST SET

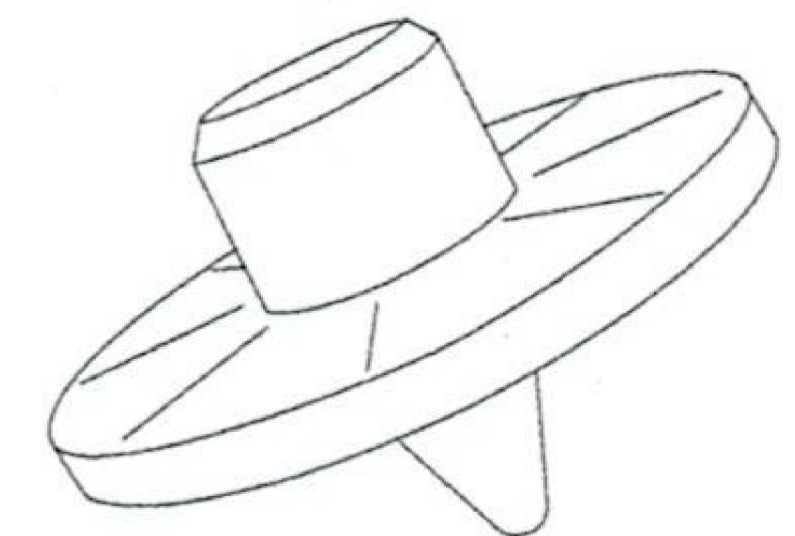

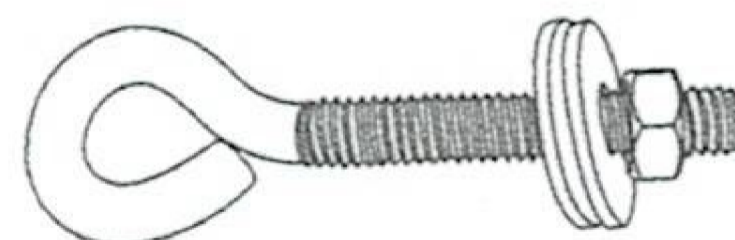

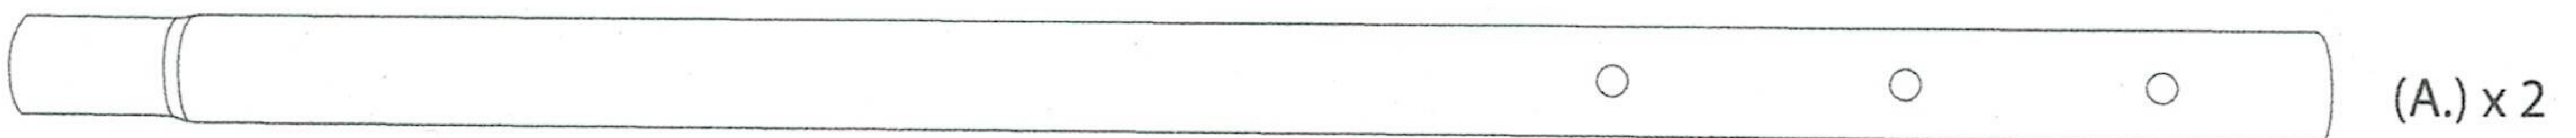

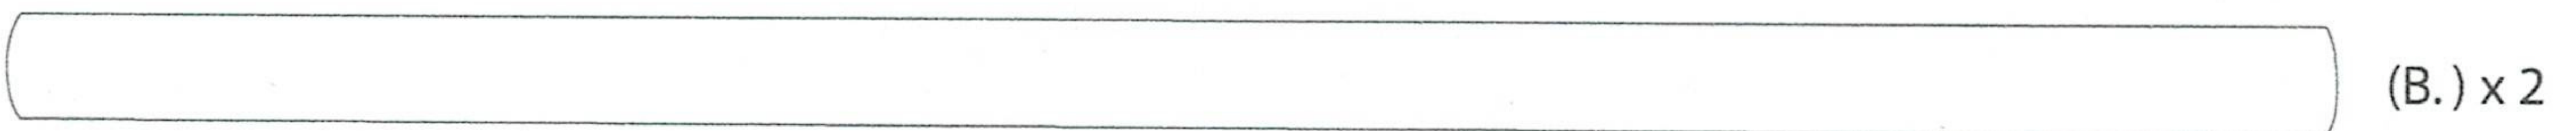

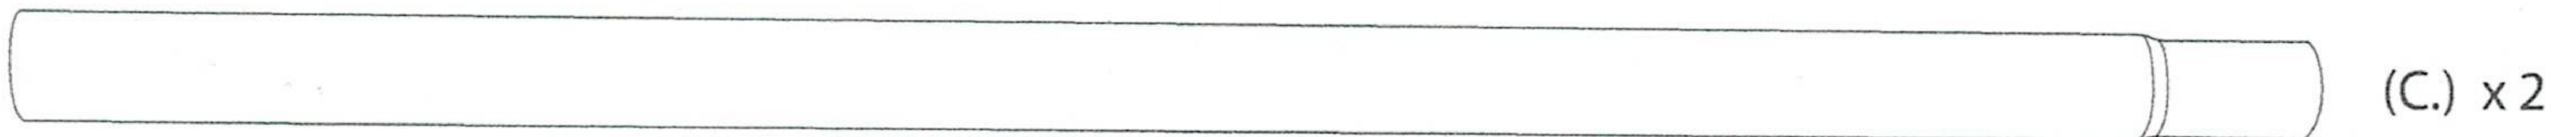

## Contents and Height Guidelines:

1. Attach net and guy rope loops (F.) as in diagram 1. Use one metal washer on either side of the post. Place (G.) cap on top of this post section.
2. Use the below table for appropriate net heights.
3. Always use the "non-slip" base (E.) on grass or sand to keep the bottom of the upright stable.
