

YOU.FO®
FUN

YOU.FO®
PRO

Benefits

- 5-15 meters distance.
- Easier to use, due to shorter stick (shorter throwing distance) and softer ring (easier to catch).
- Safe for busy areas, due to softer ring (lower impact).
- Most suitable for fast learning curve.
- Leisure product – fun and exciting.
- Interchangeable concept (sticks are suitable for all YOU.FO ring types).

- 10-30 meters distance.
- Bigger excitement, curved stick for optimal launching and catching position.
- Endurable materials for long-term and frequent use for all target groups.
- Most suitable for full experience.
- Sports product – cool and challenging.
- Interchangeable concept (sticks are suitable for all YOU.FO ring types).
